Dear Admiral Inman:

We have recently completed a speaker series here entitled "The State of U.S. Security." This series was open to the University and Vermont Community and was well received by both elements.

One of the principal speakers in the series was [redacted] of your agency who spoke to a large audience on "Soviet Military Power in the 1980s."

STAT

On behalf of all of us here I would like to thank your Director for providing a speaker from your agency. We would particularly like to thank you for sending [redacted]

STAT

STAT

[redacted] was extremely articulate, convincing and very well received by the audience. Aside from his obvious knowledge of the subject he had extraordinary contact with the audience and was most skillful in the handling of the questions. We were very pleased to have him as a guest of the University.

Thanks again from all of us here for providing [redacted] to participate in our program on U.S. security matters.

STAT

Sincerely,

A handwritten signature in cursive script that reads "Douglas Kinnard".
